

Remember every lift. *Make* more progress.

Every machine now has a **QR sticker**. Scan it with your phone camera to see exactly what you lifted there last time, log today's set in seconds, and **track your progress over time**. No app to download.

01

Scan the sticker

Point your camera at the QR code on any machine and tap the link.

02

See your last lift

Your weight and reps from last time, plus a target to beat today.

03

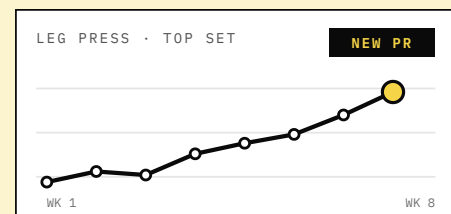

Log your set

Tap in weight and reps, hit save, and keep training. Done in 10 seconds.

04 • OVER TIME

Watch yourself get stronger.

Every set you log builds your history. Open **My Stats** for a progress chart on each machine, your personal records, and your weekly streak.

GET SET UP NOW

Scan here before you hit the floor.

Enter your name and pick a 4-digit passcode. It takes about 20 seconds, and every machine will know it's you after that.

- **Private.** Only you see your lift history.
- Your full history, on every machine, from day one.
- Works in your phone's browser. Nothing to install.
